

June 5th, 2012 Hattiesburg city council full video and vote on previous day's discussed agenda.

The big news in this Hattiesburg city council video is Deborah Delgado's motion to table the agenda item until a later meeting. There had been earlier discussion about not giving a 5% across the board increase to city employees, but rather focus largely on people making below \$25,000 annually. Council members and the mayor are not subject to pay in this budget. The board voted unanimously to table this item for further discussion.
