Mayor's Newly Hired Assistant, Valerie Arnold, Owes over \$135,000 in back taxes.

In another example of Mayor Dupree's bad hiring decisions, Dupree has hired Valerie Arnold to replace John Brown. However, Mrs. Arnold has serious issues with the IRS allegedly involving her husband's medical practice and its related medicare and medicaid billing. Citizens have a right to know who is running or involved in our government, and this information is relevant, through transparency in our government, to understand the hiring mentality of our Mayor, and to demonstrate that he doesn't consider these matters when hiring.
